Five-finger prayer

- 1. The thumb is the closest finger to you. Pray for those who are close to you. Our parents, siblings, extended family and friends.
- 2. The pointer finger is next. Pray for those who teach you, instruct you and heal you. They need our prayers to help them help others.
- 3. The following finger is the tallest. Pray for our leaders and others in authority. Pray that God grant them guidance. For children, this may be their parents, too!
- 4. The fourth finger is the ring finger. It is the weakest finger. Pray for the weakest among you. The hurt, the lonely, the sick. Remember what Jesus said about "the least of these"? This is where you honor Him by praying for them.
- 5. And finally we have our smallest finger, the smallest of all. Your pinkie should remind you to pray for yourself. We gain perspective about our own needs when we put others first. That's why we should pray for ourselves last.
