

Morning prayers for the working man

Dear God,

Another day ahead of me Lord. Thank you for the great dinner with our friends last night. And, please Lord, be with my wife and children today. And me, Lord- I need your help and support at work today; on the road; dealing with clients. I thank you for your continued strength and direction. Amen.

Heavenly Father, Son of God, Spirit of all life,

Be with me today in all I think, or say, or do. Without you I just muddle along; but with your help all manner of things will be well. Thank you. Amen.
